

Greetings Pursuit Soccer Club,

We returned to play this past weekend for numerous PSC youth level teams and had some tremendous performances in our first matches back to the pitch! Our youth level PSC teams kicked off the Spring in the Dallas Texan Madness event at Meyer Park this past weekend, and PSC picked up some hardware to boot in the event!!! Here are some short recaps on PSC performances this past weekend:

Our 98 Midnight rolled through the competition defeating 2 Dallas Texan teams by scorelines of 5-2 and 4-2 in route to a 4-1 victory in the final to capture the tournament championship in the U11 bracket!

Our 95 Blue team picked up the Consolation Championship in the event, after dropping their first match against a Dallas Texan team, they roared back to win in pk's in the Consolation match!

96 Blue faced off in the 3rd place match and played tremendous, conceding a late goal to finish 4th overall in the event against some strong competition.

The 97 group combined to play some 11v11 on the weekend, and the girls were tremendous, as they competed wonderfully in a new environment and collected a win in game 2! They dropped the Consolation Championship match by a score of 2-1, but were extremely excited in their progress in moving from 8v8 to an 11 v 11 environment.

98 Cobalt returned to play with some strong performances and welcomed 2 new players to PSC this weekend. Despite dropping 3 decisions, the girls played by far their best game of the Tournament in their third game against a very strong opponent, dropping the result 2-0.

98 Navy was equally as impressive, playing a very strong 1st and 2nd game, and was a little out of gas in game 3, but had some tremendous efforts and the girls are making great improvements in their play.

98 Royal came out flat in game 1, and played a tremendous match in game 2, losing the 3-2 scoreline, and were fantastic in game 3, collecting a 2-0 shut out win to close out the event.

All teams showed tremendously well considering the layoff, and all girls commented about how they were excited to be back on the field and playing!

We kickoff our Pursuit Soccer Winter Warm-up Tournament this weekend and are excited about the tournament field. We will need at least 3 volunteers from each team, and will schedule around games for your daughters team! Please be sure to let your coach know you are available to assist!!

This week our Wednesday HS session will once again feature CATZ Sports Performance providing their outstanding fitness/flexibility/agility work for our PSC HS players from 8:15-9:15. CATZ is the Sports Performance provider for the MLS Champion Columbus Crew and has worked with players at top levels in all sports.
