

Greetings Pursuit Soccer Club!

What a tremendous Fall season for all the ladies, and congrat's to ALL our girls who are now representing their respective High Schools and gearing up for competition that kicks off in January. Pursuit is currently finishing up all the additions to the HS player list, so if you have not submitted information on your team, please do so ASAP!!! Also, we would like to receive schedules, in pdf or Word format, of those High Schools that our PSC girls represent so we might compile and send out to everyone, it is some AWESOME Tuesday and Friday night entertainment, and numerous opportunities exist to serve as Ball girls at many sites. Once we collect them, we will send them out as part of the BLAST!

A BIG thank you goes out to those that assisted in setting up the Pursuit 3v3 LIVE Tournament and making sure the event went off smoothly, it was a tremendous success! THANKS to those that assisted!!!

U-11-U-14 teams, be sure that you register for the events in January ASAP! Let me know if you have any questions or concerns.

The BLAST this week doesnt include a lot, but some important reminders of training updates, CAMP information that is scheduled for U7-U14 players, and some last minute gift ideas that can be found online!

Training will resume on January 19th, and we will be following the training schedule attached, which will run through the first week in April. HS players will have the option to attend sessions on Wednesday or Thursday, or both if they desire, and will have the opportunity to work with their primary trainers on one of those evenings. The schedule attached outlines those staff members that will be onsite those nights, all HS players are encouraged to attend at least 1 session per week.

Pursuit Soccer Club will once again be holding our highly successful winter camp at NW Indoor Soccer, December 29,30,31 for players ages U7 - U14. The winter camp is an outstanding opportunity for your to experience first class training in a weather "proof" environment! The camp takes place from 10-12 for players U-7-U14, and there is an opportunity to meet current and former professional players and current collegiate stars!!!! Players will get an opportunity to work with fitness trainers from CATZ sports and our Nationally Licensed Pursuit Staff. Flyer's are attached for the camp, and feel free to share with all your soccer friends! Info can also be found online at [www.pursuitsoccer.org](http://www.pursuitsoccer.org) by clicking on Pursuit Camps!

Still looking for some last minute gift ideas? Check out the Pursuit Gear link at the website and our online store with Soccer4All for some great idea! There is a NEW Pursuit Window Decal, and the new Warm-up suits will be online shortly. Some great fan-wear is also available!!! Check it out! <http://www.pursuitsoccer.org/gear.php> You can access the Soccer4All window here:
