

Greetings Pursuit Soccer Club and HAPPY NEW YEAR!!!!

A short BLAST this week, with some tournament info and upcoming dates, as well as a big GOOD LUCK to all our HS players who kicked off their seasons! We had a TREMENDOUS Winter Camp with 30 players attending the event and past MLS Players Ricky Lewis and Martin Hutton in attendance to work with our PSC players! It was a great event and all the girls had a tremendous time! Thanks to Coach Kevin, Coach Heather, Coach Sean, Coach Kyle and ALL those who assisted in making the camp a HUGE success!!!! Camp photos are posted online at [www.pursuitsoccer.org](http://www.pursuitsoccer.org) so check them out!

Congrats to our 92 Blue team on a strong performance at the Orange Classic International Soccer Showcase over the break. The girls played very well against some tremendous competition, recording results of 1-1, 1-2 and 0-2 on the event, which was the first time PSC has had a team participate in such a prestigious event.

We still are on a training holiday, and are slated to resume January 20th, the first day the park is to be opened. HS teams, please be sure to check the schedule, as you will be training either Wednesday or Thursday evening from 8:00-9:30 until the week ending April 3.

Have a GREAT week back to school!!!!
