

Greetings Pursuit Soccer Club!

I hope everyone had a good week and is excited about how their teams are performing and the road ahead! We concluded another busy week with loads of soccer activities for everyone, as we had a large amount of our players attend the Dynamo Soccer Night out and pick up their FREE player ticket and \$20 companion tickets to the playoff match. If you have not yet taken advantage of this, please do so QUICK, as we want to be sure all players get a chance to attend the game! Contact your coach for more information!

A couple of reminders to all players, as the weather changes, it is getting coooooool very quick in the evenings, so please make sure players dress accordingly for the climate changes! Soccer 4 All currently stocks PSC fan wear, including the popular hoodies for our players to pick up! You can also order online at www.pursuitsoccer.org and clicking on Pursuit Gear!

Also, make SURE players take ALL their equipment home with them after training. The trainers are collecting water bottles, soccer balls etc. after many of the training sessions that are "left" behind, and we need to encourage players to be responsible and get all their stuff!

Information on our Winter Camp is online, and we are currently working on putting together a HS fitness and match camp for those players getting ready to participate in the High School season! Information on the HS camp is forthcoming as we gauge interest, and we look forward to seeing ALL our U-11-U14 players at the winter camp!

The website continues to be a tremendous tool, and if you have not yet checked it out, please do so, and encourage your friends to check it out and see all the great tools it offers!

Our results over the weekend were mixed, however, teams continue to move forward and show improvement, and many PSC teams continue to move forward towards finishing in the top 2 in their respective brackets for the Fall season! Keep up the good work and continue training hard and developing!

99 PDF Academy 2 - 4 L

98 Midnight 0 - 2 L

98 Royal 0 - 3 L

98 Cobalt 1 - 2 L

98 Navy 1 - 3 L
