

Greetings Pursuit Soccer Club!

Kind of a Mid WEEK BLAST here, as there is not too much going on right now, HOWEVER, we do have some exciting things taking place!

Our PDF groups kicked off their league play this past weekend, and Pursuit welcomes some new faces to the PDF group, and adds in a U9 team playing in the Gold bracket of the PDF along with our U10 currently playing in the Gold/Silver combined. We are excited about the PDF season and our groups ability, and already they have shown tremendous talent this apst weekend. Both teams showed a lot of great skill and solid play, and we look forward to seeing them progress. These girls train primarily Wednesday night from 6:30-8, so if you see them, be sure to say hello and welcome them to Pursuit!

February is a busy month, as we kickoff the official recruiting period, and had all staff members at Meyer Park last weekend watching U10 and U9 matches looking for those players who are interested in taking their game to the next level. We had some strong conversations with parents and they all are excited about what Pursuit has to offer. IF you are in the area this Saturday, stop by Field 1 anytime between 8 and 2 or field 15/16 anytime between 8 and 11 in your PSC Blue and say hello!!!!!!

TENT DAY is coming, and is scheduled for March 28, 2009 @ Meyer Park, time TBD. If you are not sure what tent day is, well, thats ALL the more reason to make plans to come out to Meyer Park in your PSC Blue and support the club! Tent Day is a big informational day for our club to pass out information, talk to parents, let them meet and greet girls from the club, team directors, EC members, trainers, etc. and just get more information about the outstanding programs at Pursuit! We are excited about the event, and are looking forward to seeing everyone there. More information to come!

League play is getting close to resuming for our U-11 through U-13 groups, and all other teams are preparing to make their runs in CUP play! Continued luck to our girls playing in their respective HS programs, we are excited to see you perform your best and look forward to seeing you on Wed or Thurs evening during your HS session!

As always, if you have any questions, please let me know ASAP!

GOOOOOO PURSUIT!

scott
