

Pursuit BLAST 9-21-08

Greetings Pursuit Soccer Club,

WELL, what an interesting last 2 weeks we have experienced, and hopefully, things are getting back to normal for everyone and all are ready to get back "in the game!" This weeks training schedule is modified a bit, and hopefully your coach or team manager has made you aware of the changes due to no lights at Meyer Park. I have attached the schedule in the event it was missplaced, and as a reminder, there will be no club skills sessions this week based on limited space. We have yet to hear when league play will resume, but expect it to either this weekend or the following weekend.

Prior to the hurricane, some of our Pursuit teams got the opportunity to train with Midland Lutheran Head Coach Leigh Cullip, and Leigh sent this note to me the other day and asked that I forward it on to the club:

Pursuit Soccer Club Players,

Thanks for participating in Pursuit Soccer Club's College night with Midland Lutheran College.

I hope you enjoyed the sessions as much as I did and maybe learnt something along the way!

Please feel free to follow our team at:

This is the 2nd time in 2008 that we have been fortunate to be able to bring out a collegiate

head coach to work with our girls, and we are already making plans for a 3rd experience with another school, as well as planning to have Leigh out again, as well as SMU out in the Spring.

Our new website is very close to going LIVE, and we are adding new information daily-- the design is done, the content is all that remains, and we expect it to be an awesome tool for all parents, players and prospects to get information about Pursuit Soccer Club and will be packed with links to schedules, standings, events, etc.

We are continually looking to add players, from our Academy program to our age group teams, so if you know of someone looking to get into competitive soccer, please get them in contact with us ASAP!

We will see you on the pitch! GOOOOO PURSUIT!
