

Greetings Pursuit Soccer Club!

Lots of information in this weeks BLAST, so please read the entire document!

What a tremendous week last week as a club not only on the field, but off the field, as we presented our PSC players with some awesome opportunities to get up close to local professionals!! The week started off with numerous players getting to be in the Rally Tunnel for the Dynamo home game last Sunday, then ended with PSC players getting to be in the Dynamo Rally Tunnel for the LA Galaxy, and 12 of our PSC girls getting to serve as Ball Girls for the match, and get up close to the ACTION!!!! PSC is now working on securing playoff tickets for the November 9th match that we can then sell to members of our club at a reduced rate, and are working on figuring out how many tickets we can get, and what is the best way to pass these on to our club!!! More information will follow!!!

Some strong results this past weekend for the club, as many teams continue to move up in the standings, or maintain their hold on tops in their division. We also are seeing tremendous improvement in the level of play, organization and overall strength of the sides improve, not to mention about the great sportsmanship our girls exhibit.

We have a new member added to our Executive Committee, as David Kennard will be taking over the vacant Director 1 spot on the Executive Board. Our Director 1, David, and our Director 2, Tammy Crannie, serve as direct links as parent representatives on the PSC Executive Board and are open and able to assist with your needs/concerns. David has been with the club for the past 4 years, serving as coach of 95 Blue for the previous 3, and is currently responsible for assisting to keep our new website current!!!

Our Winter Camp dates are announced, and we will be holding the event at Northwest Indoor Soccer, at 1960 and Walters Road, December 29,30 and 31 from 10-12 for all players ages U7-U14! Pre-registering will save \$5 off the walk up cost, and will be \$45, \$50 walk up at the door. All registrations include a free PSC practice T-Shirt! We are working to make this camp better than the first, and are excited to once again be offering the Winter Camp!!!

91 Blue 0-0 Tie
90 Blue 3-0 Win, 2 in a row for the team, as they continue to move up in the standings

Many have asked if we could send out a entire schedule of all matches so other teams/players/parents might be able to come out and watch some other PSC teams, and we will begin sending this out for the remainder of the season starting this week! It will have the current information we have on location, time, and opponent, but as always, is subject to change. You can check all teams schedules at www.pursuitsoccer.org by clicking on the respective team link and schedule!

Lets gear up for an exciting week and we will see you out at the fields!!!!
