

Greetings Pursuit Soccer Club!

FINALLY, we get back to some games!!! Our 98's, 97's and 96's all returned to play this past weekend, and our PDF continued their season, so it was a busy weekend returning to play.

The coming Spring Break(s) are going to affect our schedule some, and this information was sent out earlier today to everyone, so please check the schedule and ensure you have all the information--the schedule is below under the recap of those games this weekend.

EVERYONE, Mark your calendar for March 28th, and make plans to come out to Meyer Park for the annual PURSUIT TENT DAY at Meyer Park where we talk to interested players, sign players up to PSC and communicate with everyone about all the tremendous things going on with PSC!!!! More information is coming, but make plans to swing by for a minute and say hello!

Cup play is still scheduled to start on March 28, more information to come.

This weekend PSC had some strong results returning to play for our teams, with some information below!

98 Midnight went 1-0-1 on the weekend with a 4-2 win on Saturday and a 2-2 draw on Sunday.

98 Royal went 1-0 with a win on Saturday

98 Cobalt went 0-1, dropping their opener by a 1-3 scoreline

98 Navy went 0-1, dropping their opener 1-3

97 Blue went 1-1 on the weekend, winning their opener 3-2 and dropping game 2 0-1

97 Black went 0-1-1 this weekend, dropping their opener, but collecting a hard fought 0-0 draw in game 2

96 Blue went 0-1 on the weekend, but continues to make tremendous strides.

The PSC PDF teams played strong this weekend and continue to improve in their play. We have a tremendous group of ladies working hard each week. If you get a chance to swing by and watch the girls play, please let me know and I can forward the schedule!

Here is the Spring Break schedule for the next 2 coming weeks!

Please make note of the DAYS and times for both weeks, as we will ONLY be training on Wednesday and Thursday of each week to allow all players the opportunity to enjoy their break, while still getting in training.
